

# Group Cabinet Control

## AmsLeak coil

Philips Group Cabinet Control enables remote grouping, monitoring, and controlling of diverse outdoor luminaires. Customers can control their lighting installations, through a retrofitted modular cabinet solution at the electrical cabinet. Supports optimized energy consumption and manages KPIs better. The solution autonomously executes complex tasks based on the configurations. The Controller can automatically switch between different available communications carriers to provide stable and reliable communications to Interact application(s).

### Warnings and Safety

- Refer to Documentation portal for all technical documents (<https://www.partner.portal.signify.com/>)
- Check the local LTE band applicable before placing an order for the controller
- No UL certification in Gen3 controller and modules
- Update forecast for Gen3 in Koolog tool to ensure on-time delivery for projects

### Product data

Product Data	
Full product code	872790094774800
Order product name	LCU7591 Amplight Leak Coil
Order code	94774800
Numerator - Quantity Per Pack	1
Numerator - Packs per outer box	18

Material Nr. (12NC)	913700341903
Full product name	AmsLeak coil
EAN/UPC - Case	8727900947755
EAN/UPC - Product/Case	8727900947748
