

EFix TCS260

ZCS260 SME-3-SI

Suspension set with electrical cable 3-pole

The EFix TL5 luminaire range is a dedicated, affordable choice of innovative lighting that enables massive energy savings to be made when old electromagnetic installations are replaced by the latest Philips technology. The range's optical performance complies with the latest EN-12464 norms, ensuring improved lighting quality in every application. Used in combination with high-frequency gear, Philips MASTER TL5 lamps enable substantial energy savings to be made. These savings can be further increased by using a Luxsense daylight controller integrated into the luminaire. The practical design of EFix combines both surface-mounted (TCS260) and suspended (TPS262) luminaires in one design. Thanks to the luminaire's easily removable top cover, the beam can be adjusted to provide direct or direct/indirect lighting. EFix is supplied with lamps and is ready to install, minimizing installation time. EFix recessed TBS260 completes Philips' range of luminaires for general lighting applications in offices and shops.

Product data

General Information	
Suspension accessories	SME-3 [Suspension set with electrical cable 3-pole]
Accessory color	Silver
Product family code	ZCS260 [EFix accessories]
Operating and Electrical	
Electrical accessories	No [-]
Mechanical and Housing	
Dimensions (Height x Width x Depth)	NaN x NaN x NaN mm (NaN x NaN x NaN in)

Product Data	
Full product code	872790061111300
Order product name	ZCS260 SME-3-SI
EAN/UPC - Product	8727900611113
Order code	61111300
Numerator - Quantity Per Pack	1
Numerator - Packs per outer box	1
Material Nr. (12NC)	910925225111
Net Weight (Piece)	0.320 kg
