

Dynalite Wireless Devices

EasyAir SNS401CMP

Commercial building owners are facing one of their greatest challenges; how to reduce day-to-day operating costs while maintaining comfort and productivity. Intelligent lighting systems are an obvious choice. Although intelligent systems offer energy saving, monitoring and maintenance capabilities that improve the efficiency of building operations, many building managers are reluctant to make the switch in their existing buildings due to the requirement for new cabling. A Philips Dynalite wireless system offers all the benefits of an intelligent control system, without the need for extra control cabling.

Product data

General Information	
CE mark	CE mark
Remarks	Please download the Lighting - Product Data Sheet for more information and ordering options
EU RoHS compliant	Yes
Application Conditions	
Ambient temperature range	0 to +50 °C
Product Data	
Full product code	871869969232200

Order product name	EasyAir SNS401CMP
EAN/UPC - Product	8718699692322
Order code	69232200
Numerator - Quantity Per Pack	1
Numerator - Packs per outer box	25
Material Nr. (12NC)	929002108706
Net Weight (Piece)	0.045 kg
